

LOCUS PROJECT

TALLINN

Neighborhood:
Deurne-Noord

IDEA OF THE NEIGHBORHOOD BEFORE EXPLORING IT

I had the idea it was a bit unsafe
because of the drug related
violence we see in the
newspapers

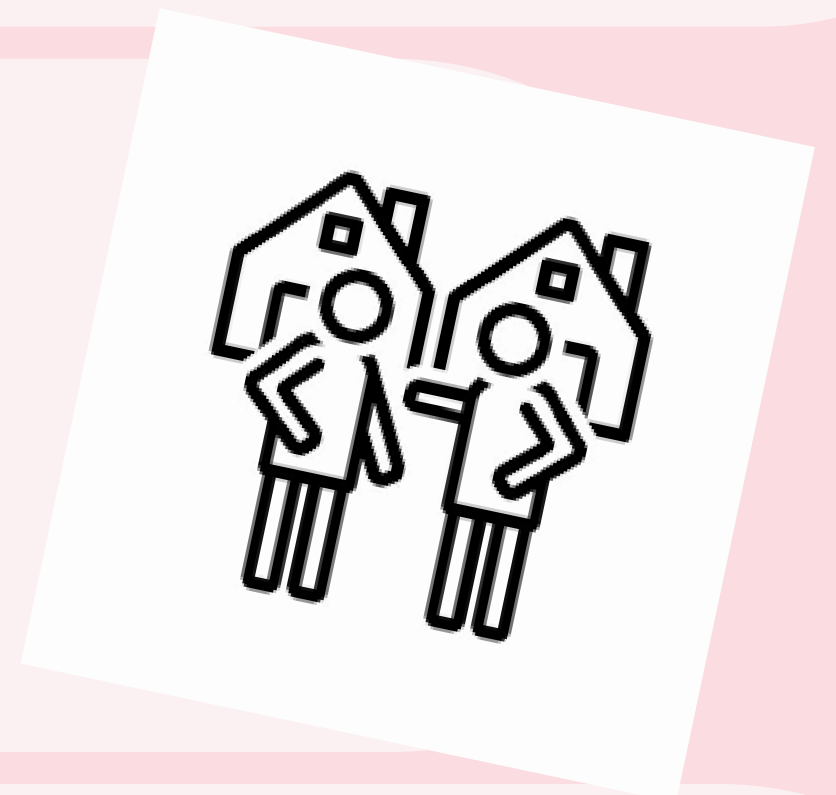

UNEXPECTED FINDINGS

It was a neighborhood with many
children, green parks, people put
work into making it a greener
neighborhood.

HOW THE FIELDWORK POSSIBLY AFFECTED THE NEIGHBORS

Some kind of self-reflecting, thinking
about how they treat their neighbors and
maybe put a little bit more effort into
getting to know the people around.

IMPACT ON ME AS A PROFESSIONAL AND PERSON

It is important not to let the
newspapers make up your mind
about a situation, Always do your
own research before judging.

MY QUOTE

We don't see things as they are;
we see them as we are.
