SURVEY FACTSHEET COSLADA 2024

About Coslada

- Coslada is situated about 12 km from the heart of Madrid and enjoys excellent public transportation connections. Its proximity to the city makes it a highly sought-after residential area for those working in Madrid.
- Approximately 90,000 residents; high population density; significant growth due to urban sprawl from Madrid. Some figures: 21.68% over the age of 65; 20% of foreign origin.
- Coslada social energy: fostering inclusion for vulnerable groups through networking efforts spearheaded by a motor group.
- Commitment to public housing policies aiming to ensure citizens' right to access affordable housing.
- Numerous green spaces provide opportunities to enjoy nature and engage in outdoor activities.
